Why advertise with us?

Loyalty

Listeners tune in week after week. They believe in the content, trust the host, and are likely to resonate with your brand.

Mobility

Listeners are social media savvy; your brand has the ability to spread across infinite social media platforms.

Reach

Listeners tune in across multiple platforms at their convenience. Once released, episodes will be available for years to come.

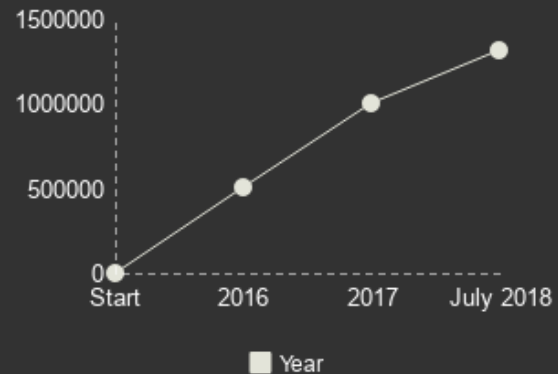

Reward

Listeners have buying power; many have higher education and are part of a higher income demographic.

We continue to grow:

Podcast Downloads

Every month our number of listeners is increasing.

Listener Reviews:

"I have been listening to this podcast since the very beginning and I love it!" -Sven, May 2016

"Great host, wide variety of guests, each episode is a good length. Would recommend!" -Julie, Sept. 2017

"I look forward to each new episode! I also appreciate that the Wise Traditions podcasts are not "fad diet" based but traditional wisdom based. :)" -Sarah, Feb. 2018
